2. Current Situation: The maximum NGEAP award per Service Member in AY 2016-2017 remains at 100% of the average regent tuition rate; equating to $3,554 per semester or $7,108 per year, depending on your award distribution. Due to increased demand on the program, adjustments will be made to allocation of funds by duty status. NGEAP remains a recruiting tool and the priority must remain with funding traditional enlistees. Therefore, traditional Service Members will be funded at the 100% rate. Full-time members will not receive NGEAP funding for spring semester 2017.

3. All eligible Service Members of the Iowa National Guard may use NGEAP in combination with federally funded programs such as GoArmyEd Tuition Assistance, Air Tuition Assistance or the GI Bill to support their educational goals.
