

MOVING COURSES IN THE COURSE PLANNER TO PENDING STATUS

- 1) Click the drop down menu in the Course Planner Status column as illustrated in Figure 1.
- 2) Select Pending from the drop-down menu as illustrated in Figure 1
- 3) Repeat this procedure for each course that is not in Pending Status.
- 4) You must click the SUBMIT button at the bottom of the Course Planner page when you have completed this task.

Figure 1

The screenshot displays the GoArmyEd Course Planner interface. A dropdown menu is open over the 'Course Planner Status' column, showing options: New, Approved, New, Pending (highlighted in blue), Rejected, and New. A red arrow points from the 'Pending' option to the first row of the table. At the bottom left, the 'Submit' button is circled in red. Below the table are buttons for 'Approve All', 'Reject All', and 'Return to Queue'.
